**Job Description: Fine Gardening Lead Job Type: Full Time, 11 months**

Poplar Point Studio is the premier horticulture and fine gardening service in the Finger Lakes Area. We are focused on making great gardening accessible – offering services from regular garden maintenance, garden coaching, plant design & selection, garden installations, annual and container plantings, and holiday décor.

Working here means more than being part of a team – it is a family. We care deeply about our customers as well as those that we work with – directly on the team, or indirectly with vendors and suppliers. We are passionate about sharing our knowledge of horticultural practices, and strive for continuous learning in everything we do. At the core of PPS are driven horticulturists, creative problem solvers, and conscientious land stewards who are dedicated to providing expert green industry services. Our gardeners are constantly creating, maintaining, and sustaining gardens for clients who truly appreciate our professional level of artistry.

The Lead Gardener role is a critical role here, someone who takes ownership of the assigned garden properties, from horticultural practices to customer service and stewarding the gardens over the course of multiple seasons. This role requires significant technical skills, as well as customer service experience with high end residential customers, and lastly the ability to nurture the gardeners that you work with on a daily basis.

- Is a steward of the earth and environment
- Enjoys being a generalist - adapts to different needs depending on the demands of the day - Cares about serving others, and works well in a team environment
- Strong work ethic - gets satisfaction from working hard and seeing the fruits of their labor - Has strong knowledge of landscape plants and plant health care practices
- Is organized and effectively communicates with clients as well as leadership team members - Develops meaningful, long lasting client relationships
- Strong organization and communication skills
- Has experience using hand tools and small power equipment

Job Duties would include:

- Advanced horticultural skills: : weeding, deadheading, perennial care, basic pruning (up to 12'), leaf cleanup, hydrangea pruning, rose care & training etc.
- Identify common garden issues and pests, assess and document issues
- Inspection and care of gardens, landscapes and outdoor spaces
- Takes ownership of long term garden planning
- Looks out for all aspects of the care and keeping of the gardens

- Assists with small landscape enhancements: bed preparation, transplanting, dividing perennials, plant installations, shrub and small tree planting, edging and mulch applications - Supports, coaches and mentors other team members
- Clear, concise reporting on garden and resource needs
- Builds strong rapport with customers
- Collaboration with other team members and PPS divisions
- Assists with plant and job material deliveries
- Attends safety meetings
